Probable Cause Affidavit

Before me this date personally appeared Ofc M. Frankel 1424, who being first duly sworn deposes and says that on the 08 day of August, (year) 2015, at (crime location) 1727 North University Drive, the above named defendant committed the above offenses charged and the facts showing probable cause to believe the same are as follows:

On 08/08/2015, I responded to 1727 N University Drive (Denny's Restaurant) in reference to a theft (grand). Upon arrival, I met with Laticia Edwards who told me that an Indian male (regular customer) stole her cellphone (black Samsung Galaxy Note 3, \$600). Edwards advised me that she had CCTV surveillance of the incident. In the video I observed Edwards lay her phone on the counter by the register. As she assisted other customers, a male subject (later identified as Mohammad Uddin) came to the register and laid his jacket on top of the phone. Uddin then paid for his meal and lifted the jacket along with the phone. It should be noted that the Samsung Galaxy Note 3 is a large smartphone that can not be mistakenly lifted. It appeared that Uddin knowingly concealed and removed the item to deprive the owner of their property. Through investigation it was revealed that Uddin resided at a nearby hotel (1711 N University Dr., Sawgrass Inn, Rm#3277). Officers made contact with Uddin and identified him as the male on the surveillance video, at that location and placed him under arrest for the stolen phone. Uddin then spontaneously uttered in the presence of officers "the phone is in my pocket, you can take it"

I swear the above statement is correct and true to the best of my knowledge and belief.
